**City of Granbury Water and Sewer Relocation Improvements for the US 377 Breakout Project
Contract B: Lake Granbury Force Main Crossing**

Addendum No. 2

Attention is called to the following modifications to the Plans, Specifications and Contract Documents for the above referenced project. The City of Granbury will receive sealed Proposals for Contract B: Lake Granbury Force Main Crossing Project until 3:00 p.m. local time on Thursday, November 20, 2025, at the City Service Center located at 401 N. Park Street, Granbury, Texas 76048. We hereby modify the documents as follows:

CONTRACT DOCUMENTS:

The attached Appendix A: Geotechnical Data shall be added as an appendix to the Project Manual. This geotechnical data includes completed bore logs from the **Preliminary** Geotechnical Data Report for the US 377 Improvements Project, Hood County, CSJ: 0080-03-049

This addendum consists of eighty-nine (89) pages. This addendum becomes a part of the Proposal Documents and **SHALL BE ACKNOWLEDGED** by the bidder on the Proposal Form submitted.

By: Christopher S. Hay, P.E.
Project Engineer

11/13/2025
