

December 31, 2025

**City of Abilene, TX
Bonanza Drive Extension
Addendum No. 1**

Attention is called to the following modifications to the Plans, Specifications and Contract Documents for the above referenced project. The City of Abilene will receive sealed Bids for the Bonanza Drive Extension Project until 2:00 p.m. local time on Thursday, January 8, 2026 at City Hall Council Chambers, located at 555 Walnut St., Abilene, TX. Bids will be publicly opened and read aloud. We hereby modify the documents as follows:

BIDDING DOCUMENTS:

1. **REPLACE** the Bid Form in its entirety with the attached **REVISED** Bid Form. Items changed are in Bold. **CHANGES** made to the Base Bid Schedule were, renumbering the Item column, adding Item 5, changes to Item 32, 33, 34, and 95. **CHANGES** made to the Alternate Bid Schedule are Items A31 and A32.
2. **ADD** the attached A5 Civil Rights – Title VI Assurance after Page 30 “DEBARRED BIDDERS STATEMENT”.
3. **REPLACE** Section 01500 – Construction Facilities and Temporary Controls, Paragraph 1.4 with the following:

1.4 TEMPORARY WATER SERVICE:

- A. Obtain a temporary construction meter from the City of Abilene Water Office located at 4595 South 1st Street, (325) 676-6405.
- B. Establish a fire hydrant for installation and contact City of Abilene Water Utilities to set and test the construction meter, Logan Hall (325) 338-2739.
- C. The Contractor will be billed for water at the rate established in the City’s Fee Schedule, <https://abilenetx.gov/563/Fee-Schedule>.

DRAWINGS

1. **REPLACE** sheet 33 with the attached **REVISED** sheet 33.
2. **REPLACE** sheet 36 with the attached **REVISED** sheet 36.
3. **REPLACE** sheet HWY 36-17 with the attached **REVISED** sheet HWY 36-17.

CLARIFICATION:

1. The City's current rate for construction water is \$9.35 per 1,000 gallons. The rate is double if outside the City Limits. The rate for construction water is subject to change per the City's most current Fee Schedule available on the City of Abilene Website, <https://abilenetx.gov/563/Fee-Schedule>. This project is within the City Limits.
2. Full TSA security requirements shall apply to the project at all times. This includes complying with security badge requirements available on the Abilene Regional Airport website, <https://iflyabi.com/employee-badges/>. A Bid Item for Security/Temporary Fencing has been added. This item shall include:
 - a. All time associated with security, obtaining airport ID Badging, monitoring of access for deliveries, escorting workers, etc.
 - b. Temporary Fencing and/or gates:
 - i. Temporary fencing and/or gates shall be provided as necessary to maintain a secure perimeter during construction activities, consistent with FAA Advisory Circular (AC) 150 and TSA CFR 1542 guidance for airport construction safety and operational security. Locations of temporary fencing and gates shall be proposed by the Contractor and approved by Abilene Regional Airport. All temporary security measures shall comply with applicable TSA security directives, the Airport Security Program, and Airport operational requirements.
 - ii. Temporary fencing shall provide a level of security equivalent to the existing primary perimeter fencing; however, it is not required to meet permanent fencing construction standards. At a minimum, temporary fencing shall include a stable, non-movable base; a minimum height of seven (7) feet; and three (3) strands of barbed wire spread over one (1) foot of additional height. Temporary fencing may be installed, relocated, or removed in phases as necessary to support construction activities, provided that a continuous secure perimeter is maintained at all times.
 - iii. Where temporary gate(s) are required for material deliveries, equipment access, or other construction-related activities, such gate(s) shall remain secure when not in active use. When a gate is open or unsecured, access shall be continuously monitored by authorized personnel. The Contractor shall maintain an access log documenting all entries and exits, in accordance with FAA AC 150 guidance, TSA requirements, and Airport security procedures. Logs shall be made available for review by the Airport and authorized regulatory agencies upon request.
3. The Contractor may elect to not submit the Alternate Bid.
4. Burning of cleared trees would be allowed on Airport property in accordance with all state and local laws. Buring must be scheduled with Airport personnel, and the direction of wind must be accounted for. Smoke from burning may not impact operation of the runways.
5. On Sheet 6 of the Drawings, for the Concrete Pavement Section, if the Contractor elects to construct the subgrade alternative then the 6" of Flexible Base Material shall be installed and compacted to 95% of Standard Proctor Density at -1 to +3 percent of optimum moisture content. Prior to installing the Flexible

Base Material, the native subgrade shall be scarified and compacted to 95% of Standard Proctor Density at -1 to +3 percent of optimum moisture content.

6. The Contractor must coordinate with the City of Abilene Water Utilities Department for closing valves on the water main. Water service to the Airport must be maintained at all times. A map of the locations of existing water mains and valves is available on the City of Abilene's GIS website: <https://abilene.maps.arcgis.com/apps/webappviewer/index.html?id=442f7f1102cb4ee6a26290d3498a96bc>

7. Monument and Wayfinding Signs

- a. Bid Items 33 and 34 are to include all work and appurtenances associated with the Monument Sign and Wayfinding Signs respectively. This work includes all landscaping, water service tap, meter box, backflow preventor, service line, irrigation design, irrigation system, electrical, and lighting. Irrigation controller may be mounted discreetly to the signs or on a standalone post and Unistrut frame. Controller shall be powered from the lighting circuit.
- b. Contractor provided ground mounted lighting for the signs may be placed in the green space or just outside of the perimeter. No electrical conduits are needed in the concrete foundation or masonry of the signs.
- c. General Landscaping Note K, requires drainage holes drilled in the plant bed area only. This is the area between the Monument/Wayfinding sign foundation and the 6" perimeter curb.
- d. General Landscaping Note X, requires the Contractor to provide the design, materials, and installation of the irrigation system including any additional electrical necessary for operation.
- e. Construction of the signs consists of standard 12"x8"x16" CMU block. All CMU block is running bond, the corners should be fingered together. All CMU block is fully grouted with #4 bars at 16" O.C. The signs are hollow with the exception of the CMU crossing wall and the intermediate steel framing tying the sides together.

8. Signage

- a. Bid Item 59 is for Small Roadside Sign in the TXDOT ROW and shall be in accordance with TXDOT Specifications. Bid Items 28-31 are for Small Roadside Signs in the City of Abilene ROW and shall be in accordance with City of Abilene Specifications.
- b. There is no Stop Sign and Street Name sign to be installed at the intersection of Highway 36 and Bonanza Drive. These are covered by the traffic signal and signal mounted street sign.

This addendum consists of 25 pages. This addendum becomes a part of the Bid Documents and **SHALL BE ACKNOWLEDGED** by the bidder on the Bid Form submitted.

A5 Civil Rights – Title VI Assurance

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the “Contractor”) agrees to comply with the following nondiscrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR Part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964) including amendments thereto;
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 U.S.C. § 6101 et seq.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 U.S.C. § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987 (P.L. 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and Contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR Parts 37 and 38;
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. § 1681, et seq). Compliance with Nondiscrimination Requirements:

A 5.4.2 Nondiscrimination Requirements/Title VI Clauses for Compliance

Compliance with Non-Discrimination Requirement

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations: The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin), creed, sex, age, or disability in the selection and retention of subContractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21 including amendments thereto.
3. Solicitations for Subcontracts, including Procurements of Materials and Equipment: In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subContractor or supplier will be notified by the Contractor of the Contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
4. Information and Reports: The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a Contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. Sanctions for Noncompliance: In the event of a Contractor's noncompliance with the nondiscrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or
 - b. Cancelling, terminating, or suspending a contract, in whole or in part.
6. Incorporation of Provisions: The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation

Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subContractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

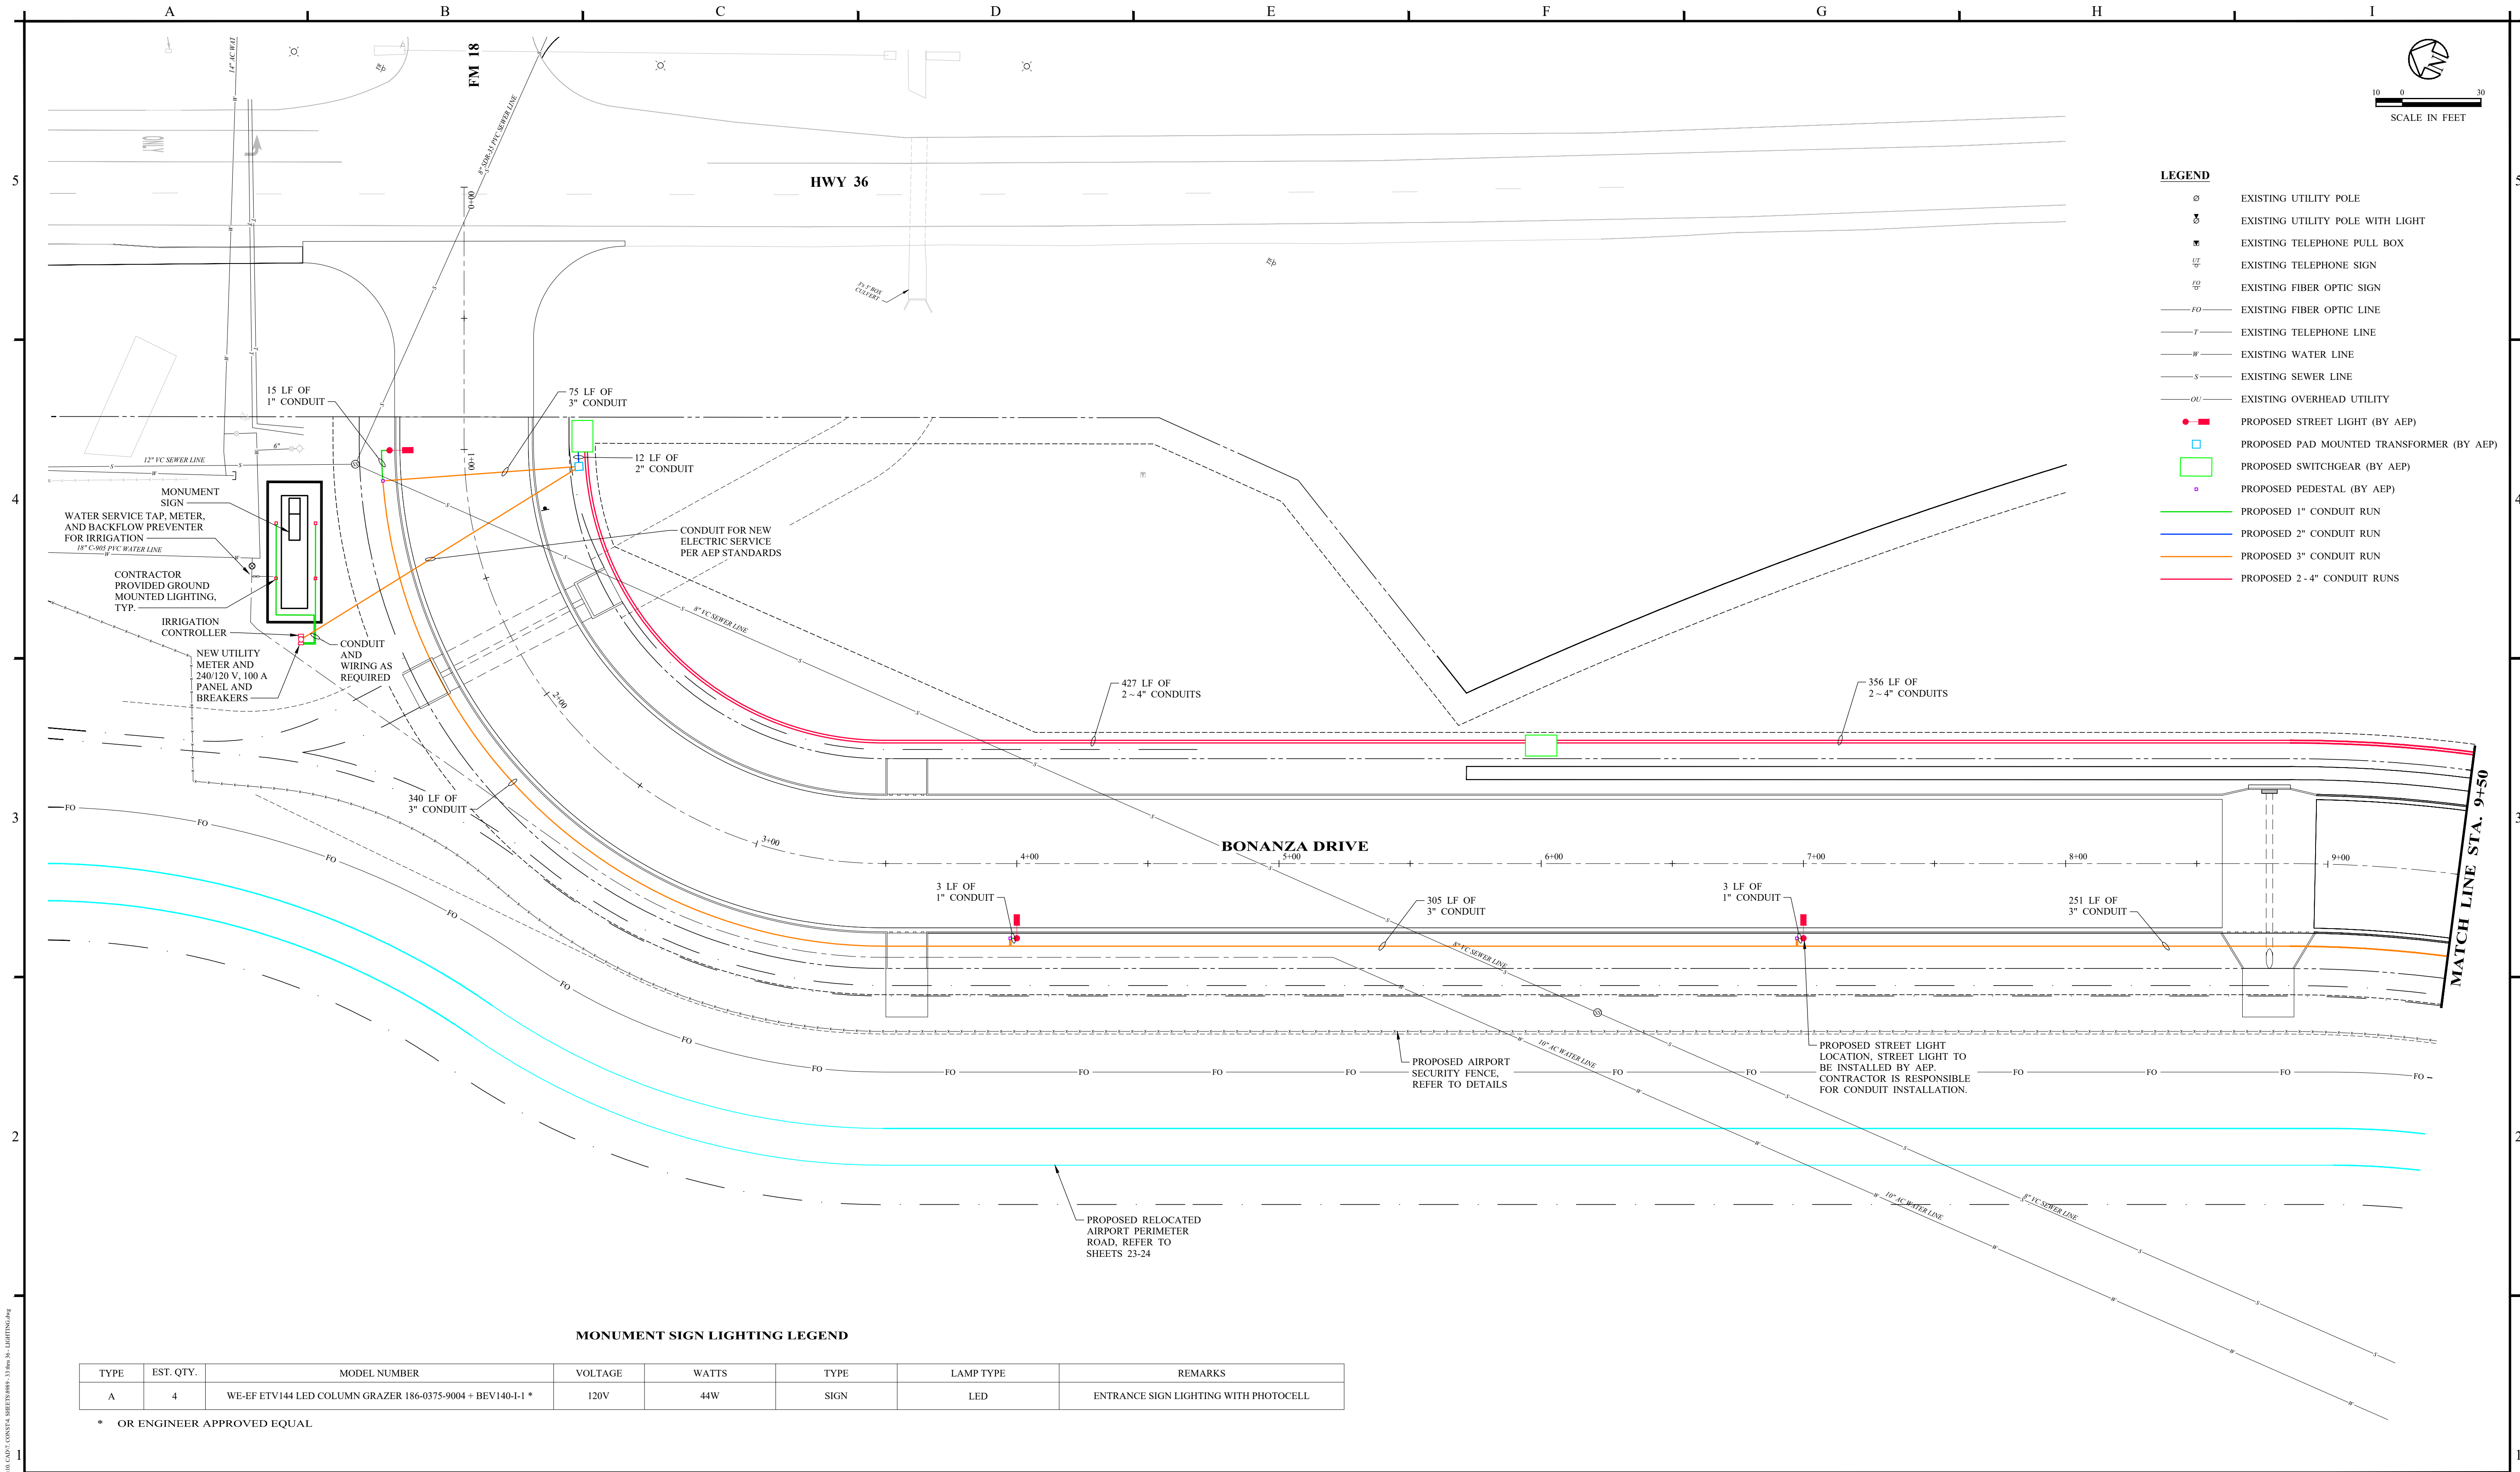

A 5.4.5 Title VI Clauses for Construction/Use/Access to Real Property Acquired Under the Activity Facility or Program

CLAUSES FOR CONSTRUCTION/USE/ACCESS TO REAL PROPERTY ACQUIRED UNDER THE ACTIVITY, FACILITY OR PROGRAM

The following clauses will be included in deeds, licenses, permits, or similar instruments/agreements entered into by (Title of Sponsor) pursuant to the provisions of the Airport Improvement Program grant assurances.

- A. The (grantee, licensee, permittee, etc., as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree (in the case of deeds and leases add, "as a covenant running with the land") that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the (grantee, licensee, Contractor, permittee, etc.) will use the premises in compliance with all other requirements imposed by or pursuant to the Title VI List of Pertinent Nondiscrimination Acts and Authorities.
- B. With respect to (licenses, leases, permits, etc.), in the event of breach of any of the above Non-discrimination covenants, (Title of Sponsor) will have the right to terminate the (license, permit, etc., as appropriate) and to enter or re-enter and repossess said land and the facilities thereon, and hold the same as if said (license, permit, etc., as appropriate) had never been made or issued.*
- C. With respect to deeds, in the event of breach of any of the above Non-discrimination covenants, (Title of Sponsor) will there upon revert to and vest in and become the absolute property of (Title of Sponsor) and its assigns.*

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary to make clear the purpose of Title VI.)
